

Dragon Hall Education Programme 2006

Hello

My name is Jon Pitman. I am Education Officer at Dragon Hall, Norwich. I just want to let you know that Dragon Hall is re-opening with a new education programme at Easter 2006.

Dragon Hall is the perfect destination for a school visit. It is the ideal complement to **Tudor** and **Local Study** units at Key stage 2.

Our centre-piece is a late medieval trading hall with superb crown post roof. However, our site has been settled for more than 1000 years. Dragon Hall contains features which stretch from Saxon huts to Victorian slums. Visitors to Dragon Hall experience a series of exciting and unfamiliar spaces: timber Great Hall, brick undercroft and modern glass gallery

Dragon Hall has undergone a major re-development which has greatly improved our provision for schools.

- **Improved accessibility to Great Hall and timber arcades**
- **Education room**
- **Dedicated schools area in Great Hall**
- **Full-time education officer**

Our educational programme provides a unique hands-on experience which develops skills of observation and enquiry. We offer a range of educator-led sessions suitable for Tudor and Local Study units.

- **Guided tours of Dragon Hall**
- **Medieval building challenge**
- **Object handling sessions**
- **Historic walks of King Street**

Tailor your visit to your own educational needs! Dragon Hall's education programme is continually developing. We will be introducing Foundation, KS1 and KS3 sessions in the near future. In the meantime we would be delighted to work with you to develop bespoke sessions.

Yours truly,
Jon Pitman
