
Nutrient based standards for school lunches and how to meet them

Date	Time	Venue	Course Code	Event Ref.
04/06/2009	16:30 - 18:00	Norwich Professional Development Centre	ENHD3	B

Course Context/Audience:

Due to popular demand, we are re running this event for delegates who were unable to book on in May.

The nutrient based standards for school lunch are mandatory in all local authority maintained schools. This is a twilight course aimed at all schools interested in learning more about these food standards and **may be of particular interest to schools running their own in-house catering.**

We will cover:

An overview of the standards
How you can meet the standards
Monitoring and compliance

Objectives:

Delegates will:

Gain a better understanding of the nutrient based standards for school lunches and how to meet them.
Learn about the options to ensure compliance.
Have the opportunity to ask questions to a dietitian from the Norfolk and Norwich University Hospital.

Course Leader/s: Sue Astbury

Phase: All schools

Fee: £0.00 This is a **FREE** event funded through the Transforming School Food Project.
