

## **Have Your Say in our Survey!**

This week we are launching a survey to help us select a logo that will denote integrated children's services in the future and help us communicate our vision for children and young people as part of the Every Child Matters project.

We want as many people as possible to participate, particularly children and young people themselves, staff involved directly with young people and employees of organisations that are working in this sector.

The survey will primarily be conducted electronically on-line and the link is <http://www.surveymonkey.com/s.asp?u=14921764979>  
Or via the county council's website on [http:// www.norfolk.gov.uk](http://www.norfolk.gov.uk)

You can really help us with this by prompting others to take part before the deadline on January 31st.

This could include:

- cascading the link via email within your organisation
- using it as a link on your website
- a mention in newsletters or briefings within your organisation
- a mention in meetings

And within schools....

- the survey raised as a topic in art, design or IT lessons
- a mention in assembly

As an incentive to get involved, all participants will have a chance of winning an iPod mini.

If you have any queries about the survey, or if you would like paper copies, please contact:
