1 February 2005

To all schools in the primary phase

Dear Headteacher

A Celebration of Children's Learning in Norfolk's Primary Schools 15th –19th March 2005

## **School Based Events**

You will recently have received letters from Roger Eagle about the above celebration, inviting you to take part in events at the Forum in Norwich and in your local area. We have received a great response to these requests and are grateful to all schools for their contributions. Our aim is that all schools will take part in the celebration in some way. Over the course of the week we hope that every school will host a community event to share some aspect of their work with the public. A few ideas already suggested include:

- 'Bring mum, dad OR CARER to school day'
- Share a lesson with your mum/dad /CARER/grandparent
- Invite parents/CARERS/the community to see displays of work
- Displays of work in the local library, community centre, shopping centre etc.

You will be able to think of many other ways of helping your local community to understand how staff and children are working together successfully in your school.

We are now at the stage of collating information and would like you to let us know what you intend to do so that it can be included in a county-wide publication and on our dedicated website [www.primarycelebration.co.uk](http://www.primarycelebration.co.uk)

The publication will indicate which schools will be taking part during the celebration week, but will not give details of dates and times. You will want to make this known to your local community through your usual communication channels.

Would you therefore please complete the attached proforma and send to Sarah Wait (address on form) by 28th February 2005.

Thank you in anticipation for your contribution to this exciting event to bring the excellent work of Norfolk's primary schools to the general public. I look forward to receiving details of your activities.

Yours Sincerely

A handwritten signature in black ink that reads "Fred Corbett". The signature is fluid and cursive, with a long, sweeping horizontal line extending from the end of the name.

Fred Corbett  
Assistant Director (Children's Services)
