

# Extended Schools: Community access & school sport's facilities

At Active Norfolk we are gathering information as part of an Extended Schools project that is exploring schools' opinions and experiences on issues surrounding the extended use of your sport and physical activity facilities.

## What does this mean for you?

**Love it or hate it, offering it or not**, by sharing your ideas, opinions and experiences about community access this is your opportunity to contribute towards our understanding of the good and the bad, the benefits and the pitfalls (or anything in between)!

## What we can offer you in return...

### **Free promotion of your facilities or activities via our website**

As many schools are currently providing access to a range of sport and physical activity facilities and opportunities within their communities – we want to help you raise the awareness of these facilities or events.

### **WIN A full-day Startrack athletics event at your school.**

Startrack is based on running, jumping and throwing in a friendly and warm environment and is open to girls and boys of all abilities aged between 8 and 15 years old. It's a chance to experience athletics events within fun, team-based activities.

### **Professional membership of Active Norfolk**

This is the only website you will need to keep up-to-date with the latest developments and opportunities in the sports industry. You will receive **FREE** entitlement to a wide range of benefits, resources and access to specialist support and help, plus much more!

Regardless of whether you are currently extending the use of your sports facilities or not, please click here [www.activenorfolk.org/extendedschoolssurvey](http://www.activenorfolk.org/extendedschoolssurvey) to complete our easy online survey. This should take no more than 5 minutes to complete.

**All completed questionnaires will be entered into the prize draw to win a Startrack athletics event at your school**

**The closing date for responses is 19<sup>th</sup> July**
