

Financial Support Applications for Students Entering Higher Education in 2007/08

You should by now have received the usual supply of financial support application packs for distribution to those of your students expecting to enter Higher Education in September 2007. If you cannot trace having received them yet and they have still not arrived by 7th March please let me know.

I should be grateful if you would arrange for the packs to be issued as soon as possible and in any case no later than **16th March**.

Please do not hesitate to contact me if you have any queries about the application process.
