Dear Colleague

### **Gallery space for Artwork**

We are currently re-hanging the Arts in Education Gallery at the Norwich Professional Development Centre, and wondered if your school might be interested in submitting some pupils' artwork for display?

We are asking for up to five pieces of work from each Norwich area secondary school, and would also like to include an artist's statement from the pupils to accompany each piece.

If this sounds of interest, please contact me and I will arrange to collect and hang your selected pieces.

Many thanks indeed

All best wishes
