

Gypsy Roma Traveller History Month – June 2008

The Norfolk Traveller Education Service are promoting the first National Gypsy Roma Traveller History Month during June. Gypsy Travellers constitute one of Norfolk's largest ethnic minority groups and all schools are encouraged to acknowledge and help celebrate Gypsy and Traveller culture and heritage.

Please see the below flyer promoting 'April's Horse' a permanent exhibition at Gressenhall Museum, where children can learn about Traveller heritage through the arts and outdoors. Teacher resources are available for April's Horse exhibition for KS 1, 2 and 3.

For further information please visit the national website or contact the Norfolk Traveller Education Service on 01603 727880.

Celebrating National Gypsy Roma Traveller History month with

April's Horse

Learning about Traveller Heritage through the Arts and Outdoors

Young Travellers from across Norfolk worked with artist Karl Foster to explore their cultural heritage through the arts. This was part of a Norfolk County Council Children's Services Arts Partnership project with the Traveller Education Service and Gressenhall Museum of Rural Life.

As a result of this, a permanent exhibition has been established at Gressenhall Museum. Follow the Amazing Horse Trail, or contact us for details of teacher resources!

April's Horse was designed by young Traveller April and made into a life-size piece of public art by the artist Karl Foster.
