Dear Headteacher

**Nelson of Norfolk Bicentenary Souvenir Brochure**

I am happy to send you, for your school, a copy of the special bicentenary souvenir booklet that the County Council has produced to help celebrate and mark the life of one of Norfolk's most remarkable of men.

Nelson of Norfolk reprints in full the fascinating 1905 centenary souvenir and brings it up to date with an excellent introduction from Frank Meeres of the Norfolk Archive Centre.

I enclose an order form in case you would like to order more copies for your school.

I hope that you, your staff and pupils will find things in the booklet of interest. I am ensuring that all our schools and libraries receive a copy.

With all good wishes,

Chairman
