

Healthy Norfolk Schools Celebration Event

27th April 2007

**‘Top of the Terrace’
Norwich City Football Club**

The Healthy Norfolk Schools team invites you to pop in and join us at our annual celebration event. This is an interactive event where schools committed to the local programme get together and display their Healthy Schools work. The highlight for those involved, is networking and sharing good practice.

A member of your SLT would be most welcome to join us between 11.15 and 12.15 in order to chat to pupils and staff and find out more about Healthy Schools.

Please note lunch will not be provided.

Please email Jenni Woodrow at:
jenni.woodrow@norfolk.gov.uk to register your interest.
