Dear Headteacher and Educational Visits Co-ordinator,

#### Introducing the Restructured Environmental and Outdoor Learning Team

We are pleased to send you a copy of our new leaflet highlighting the range of support services the Norfolk Environmental and Outdoor Learning Team can offer your school community.

The team comprises qualified and experienced teachers, specialising in environmental and outdoor learning. It exists to promote and support the entitlement of all Norfolk children to have access to a variety of high quality Outdoor Learning and Learning for Sustainability experiences, both in and beyond school. We know from research that such experiences can boost young people's confidence, improve motivation and raise achievement, enabling them to explore and reflect on their relationship and stewardship of the natural world. A visit to one of our Field Studies Centres at Holt or Wells-next-the-Sea will provide professional support, high safety standards and excellent value for money.

The team can also support your colleagues with advice, support and training to implement the 'Learning Outside the Classroom Manifesto' and the DfES 'Sustainable Schools Framework', both published in 2006. These dovetail in with the Every Child Matters agenda, which is at the heart of our service.

Susan Falch-Lovesey heads the team co-ordinating schools outreach, advice and support, INSET, the biennial Sustainability Award Scheme and the publication of 'greenscene' magazine for schools. Please see <a href="http://www.schools.norfolk.gov.uk/go/envedu">www.schools.norfolk.gov.uk/go/envedu</a> for more information.

The Deputy Heads of the Team are Christine Marshall and Andrew Coles who job share the management of Norfolk's two nationally respected field centres located in outstanding and distinctive coastal and woodland environments. Lead Teachers Simon Woodhouse (Holt Hall Field Studies Centre) and Nell Seal (Wells Field Studies Centre from July 1<sup>st</sup>) direct the learning programmes and the new school based support.

A wide range of exciting and motivating outdoor learning and environmental courses (both residential and day) are offered from each Centre covering most age ranges. The Centres are also available for other residential courses and camps. Please see <u>www.norfolk.gov.uk/</u><u>holthall</u> and <u>www.norfolk.gov.uk/wellsfieldcentre</u> for more information.

Details of the revised booking procedures for each Centre for the academic year 2007 - 2008 are enclosed and bookings are now being taken for the next two years. Please book as soon as you can to avoid disappointment. The separate and complementary identities of each Centre remain but we are synchronising systems and procedures.

Each year we find teachers and schools who are unaware that Norfolk has two fine Field Studies Centres and a range of outdoor learning and environment support services. Please may we ask you to help us to make every teacher in your school aware of the support available to them?

If you have suggestions as to how the Team can help you to meet your needs then please contact Susan Falch-Lovesey at West Norfolk PDC.

We look forward to working with your school.

Yours sincerely,

Sur Talch - Loverey

Susan Falch-Lovesey, Head of Environment and Outdoor Learning Team

# **Conditions of Booking for**

# **Norfolk County Council Schools**

#### Please read these conditions carefully and retain them for reference. The Head Teacher's signature on the Booking Form signifies acceptance of these conditions.

#### For all courses:

- Children's Services is supporting the actual cost of courses to all participants.
  - Use of the Centre minibus for agreed field visits is included.
    - Up to **five** staff places per course are free.

# **Conditions of Booking**

After the school has completed and returned a Booking Application form, the Centre will write to the school confirming the booking details and requesting a deposit. The Centre will presume the booking is confirmed by the school unless the school has advised the Centre to the contrary by at least 24 clear weeks before the course is due to begin.

The following penalties will be incurred by schools cancelling a booking.

1. On receipt of the school's booking application form the Centre will send to the school written confirmation of the booking and a statement for a booking deposit of 10% of the course minimum fee. This deposit is not returnable in the event of the school cancelling the booking.

2. If cancellation of a course is made at any time between the period of 24 and 20 clear weeks before the course begins then 25% of the minimum course fee due (including the deposit) shall be payable i.e. a further 15%.

3. If cancellation of a course is made at any time between the period of 20 and 16 clear weeks before the course begins, then a cancellation fee of 50% of the minimum course fees due (including the deposit) shall be payable i.e. a further 40%.

4. If cancellation of a course is made at any time less than 16 clear weeks before the course begins, then a cancellation fee comprising the total course fees due for the number of places booked or the minimum course fee if greater, shall be payable (less the deposit already paid).

**The school is strongly advised** to take out insurance to cover any costs that might be incurred if it has to cancel a booking. Please check the existing NCC School Journeys Insurance to see what cancellation circumstances are covered.

If for any unforeseen reason the Centre has to cancel your course every effort will be made to re-book at a time convenient to the school. If this is not possible the Centre will refund the booking deposit in full to the school.

# HOLT HALL FIELD STUDIES CENTRE

# **Conditions of Booking for**

# **Norfolk County Council Schools**

Please read these conditions carefully and retain them for reference. The Head Teacher's signature on the Booking Form signifies acceptance of these conditions.

#### For all courses:

- Children's Services is supporting the actual cost of courses to all participants.
- Use of Centre's minibuses with drivers for one offsite field visit is included in the price.
  - One staff place is free for every 10 children on the course.

# **Conditions of Booking**

After the school has completed and returned a Booking Application form, the Centre will write to the school confirming the booking details and requesting a deposit. The Centre will presume the booking is confirmed by the school unless the school has advised the Centre to the contrary by at least 24 clear weeks before the course is due to begin.

The following penalties will be incurred by schools cancelling a booking.

1. On receipt of the school's booking application form the Centre will send to the school written confirmation of the booking and a statement for a booking deposit of 10% of the course minimum fee. This deposit is not returnable in the event of the school cancelling the booking.

2. If cancellation of a course is made at any time between the period of 24 and 20 clear weeks before the course begins then 25% of the minimum course fee due (including the deposit) shall be payable i.e. a further 15%.

3. If cancellation of a course is made at any time between the period of 20 and 16 clear weeks before the course begins, then a cancellation fee of 50% of the minimum course fees due (including the deposit) shall be payable i.e. a further 40%.

4. If cancellation of a course is made at any time less than 16 clear weeks before the course begins, then a cancellation fee comprising the total course fees due for the number of places booked or the minimum course fee if greater shall be payable (less the deposit already paid).

**The school is strongly advised** to take out insurance to cover any costs that might be incurred if it has to cancel a booking. Please check the existing NCC School Journeys Insurance to see what cancellation circumstances are covered.

If for any unforeseen reason the Centre has to cancel your course every effort will be made to re-book at a time convenient to the school. If this is not possible the Centre will refund the booking deposit in full to the school.

## Holt Hall and Wells Field Studies Centres

Holt Hall and Wells Field Studies Centres offer a wide range of diverse environmental and outdoor learning experiences on a day or residential basis.

You can expect friendly and professional support from our experienced qualified teachers, in comfortable and well resourced centres.

Holt Hall Field Studies Centre is a large country house, built in 1846, and beautifully set in 35 hectares of gardens, ancient woods and lakes. It can accommodate up to 75 people and provides full catering. It has a separate campsite.

Wells Field Studies Centre,

formerly the town's school, dates from 1838. It nestles in the heart of a small North Norfolk coastal town just 5 minutes walk from the harbour and marshes. It offers homely selfcatering accommodation for up to 36 people. It is an Eco Centre.

> "Inspiring locations, notivating experiences, and participative learning are the hallmarks of a visit to one of Norfolk's Outdoor Learning Centres."

Inspire

Norfolk County Council's Environmental Education and Outdoor Learning Team works with partners across the county to bring high quality and engaging learning experiences to school communities in the areas of:

- Learning outside the classroom
- School grounds developments
- Field Studies in the school grounds and beyond
- Forest Schools' initiative and support for Early Years outdoor learning
- Learning for Sustainability and the Sustainable Schools agenda
- Arts and Sustainability initiatives

The team also supports those in schools who want to encourage 'Learning For Sustainability' by:

- Publishing "greenscene", a magazine for teachers
- Running a biennial Sustainability Awards scheme for schools
- Providing motivating In-Service training opportunities for school colleagues
- Giving advice and support for safety on education visits
