ICT in the Early Years

**Thursday
14th September 2006**

9.30am to 3.30pm

**John Innes Centre,
Norwich**

every child matters
a brighter future for Norfolk's young people

Programme

This conference is aimed at all practitioners working with children in the Foundation Stage and looks at ways that ICT can be used to support children's learning. This is an excellent opportunity to hear about the latest information on using ICT and best practice.

15.30 ....
END

Allocation of workshops will take place on the day. Each workshop will be run 3 times over the day to give you maximum benefit from the wide variety available.

Suppliers exhibition will be available on the day.

ICT in the Early Years

Workshops

Digital Cameras - Sheila Denny
How can you use a digital camera with very young children? This workshop will look at practical solutions to using them effectively and will give you lots of ideas to take forward.

ICT and the Outdoor Environment - Norfolk County Council Early Years and Childcare Team
This workshop will give you the opportunity to gather ideas for using ICT resources outdoors and how they can be used to plan for children's learning.

Using Interactive Whiteboards in the Early Years - Jill Duman
This seminar will provide an opportunity to find out about the progress that has been made in the use of interactive whiteboards at a national and local level. Key findings from around the country along with examples of practice from Norfolk will be shared.
It will include input from the advisory service and a classroom practitioner and will give opportunities for discussion.

Gadgets and Gizmos - Jackie Hardy, Suffolk County Council
This session offers an opportunity to gain a wonderful insight of ICT resources, and lots of ideas to take away and try for yourself

Using ICT to support development in the Early Years - Sarah Scott, Granada Learning
This workshop provides an opportunity to explore a myriad of software programmes that are adapted for inclusive early years settings.

ICT and Creativity - Andrew Trythall, Sir Robert Hitcham Primary School, Suffolk
ICT is a hugely creative tool, allowing children to express themselves in ways previously which were not techniques. This workshop will allow delegates time to explore some of these creative opportunities.
