

**The Information Sharing and Assessment Board
(sub group of Norfolk Children & Young People's Trust)
invite you to their annual conference**

My Child, Your Child, Our Child

**Working Together to Make a Difference - Improving outcomes for
children and young people through Information Sharing and the
Common Assessment Framework**

Wednesday 25th February 2009

**9.00am for 9.30am
Coffee, tea and pastries on arrival**

at

**Barnham Broom
Honingham Road, Barnham Broom, Norwich, NR9 4DD
9.30am – 4pm**

Key Note Speakers: Caroline Ball, Meera Spillett, Fred Corbett

The closing address will be given by Lisa Christensen

**A conference to celebrate good practice and explore the way forward for
the Common Assessment Framework, the role of the Lead Professional
and Information Sharing (including ContactPoint)**

The purpose of this conference is to give managers the opportunity to be updated on new developments and to hear from both practitioners and families about their experiences of early intervention and integrated working. This will enable them to reflect on their own ways of working and how they can continue to integrate this work within their organisation.

Who should attend?

The Board would welcome senior representation from all agencies engaging with children and young people and their families.

How do I book?

Spaces are limited so please return the booking form provided by 23rd January 2009.
