# Implementation Of National Framework For Citizenship Key Stages 3 And 4

From August 2002 Citizenship will be a statutory entitlement for every pupil during Key Stages 3 & 4. Ofsted is already inspecting schools' preparation for implementing the Order. To support schools a seminar has been arranged for Citizenship co-ordinators.

The aim of the seminar is to provide information on a range of issues including:

- Statutory requirements
- A whole school approach - how do we plan it?
- Understanding 'political literacy'
- Participation - what does it mean in practice?
- Contribution of other subject areas - QCA schemes of work KS3
- Assessment, monitoring and evaluating citizenship
- Practical ideas for implementation

Participants will be provided with a pack of information on key requirements to help senior management in the planning of the programme to be delivered in schools.

Refreshments will be provided.

Course Leaders: Liz Butterworth and Barry Gibson
