Who and What is JANASC?

We are a new venture that aims to provide opportunities to network, share experiences and enjoy training opportunities. The Network is aimed at those who work with children and young people with an Autistic Spectrum Condition (ASC).

The Network is open to Early Years settings, SENCOs, Teachers and TAs (primary and secondary) working with children with ASC or, all those with an interest in the subject.

Future meeting themes include:

Spring'07 "PECS, Communication processing and TEACCH"

Summer'07 "Transitions including emotional transitions"

**Please respond to Dawn High at Starfish at the
Email address below to confirm your attendance.
