

## Calling all Key Stage 3 Citizenship Co-ordinators

If you are struggling with the local element of the Citizenship Curriculum then we have a locally produced resource that will help by providing answers to those difficult questions about public services and how they are financed.

**The resource pack is free and you can collect yours by attending  
the premiere of the video**

**on Wednesday 15 June 2005**

at Norwich Professional Development Centre  
4.30 p.m. – 6.00 p.m.

Refreshments available from 4.00 p.m.

## The Methwich Project

Norfolk County Council has developed a free video and resource pack to support the teaching of the local government elements of the citizenship curriculum in Key Stage 3.

The pack helps to explain local government to young people and engage them by relating it to local issues. It supports teachers in promoting discussion and debate among pupils about a wide range of issues, helping them to develop the knowledge, skills and understanding about becoming active citizens.

The pack includes:

- Video – written, filmed, directed, edited and starring young people
- Lesson plans
- Teachers notes
- Guidance on how to have a debate
- Issues for debate
- Supporting materials, photos, press articles

*“Good to have a really useable resource about this area which is notoriously difficult to teach”*

*“Resources made by students for students have credibility with the youngsters – excellent way to get them started”*

*“Congratulations to all concerned in producing this resource and the students for the video”*
