

Making the most of your Museum

Date: 02/05/07

Venue: Norwich Castle Museum

Time: 9.30am - 3.30pm

every **child** matters
a brighter future for Norfolk's young people

This day aims to show how Norfolk Museums and Archaeology Service can support the Foundation Stage curriculum with resources and experiences in an inspiring, imaginative and relevant way.

Participants will look at and take part in a range of activities and first hand experiences, to help them plan visits using the galleries of the Castle Museum.

It will also provide an opportunity to find out what the Museum Service has to offer Early Years practitioners in terms of workshops, handling collections and loan boxes; and to look at the practical considerations of a visit to the Castle Museum.

Target Audience: Pre school groups/nurseries/ Reception
