

Ancient House

Museum of Thetford Life

Schools Programme 2006/7

Ancient House provides high quality educational visits for all ages and abilities. Our experienced learning team offers advice, ideas and support.

Opening autumn 2006 after major refurbishment, this charming museum tells the remarkable story of Thetford and the Brecks. Set in an atmospheric Tudor merchant's house, displays combine rich collections with audio guides, animations and films.

We specialise in Tudors and Victorians and can support curriculum work in history, English, religious education and citizenship. We also offer support with risk assessments.

Choose between one of 4 options:

- Come on a teacher-led visit
- Book for a special event (see below)
- Work with us to devise a programme for your group
- Enhance your teacher-led visit with an additional activity*

* Object handling, cooking on the range or old fashioned washing.
