Hobart High School

Monday 20th October 2003
at

4.30 – 6.00pm

Sally Bishop is hosting the meeting and has asked if you could discuss guidance on standardisation in assessment- KS3 strategy. She suggested everybody bring examples of work from a single project, with examples of NC levels 4 to 7, to help standardisation.

Look forward to seeing lots of old and new faces.

Don't forget your samples!
