

GIFTED AND TALENTED

An Invitation to all Secondary G&T Co-ordinators (and other interested educators) to attend a G&T Network Meeting

I am very pleased with the positive response to the network meetings so far. They have been attended by co-ordinators, Task Group Members, Aimhigher area officers and FE representatives.

The aim of these meetings is to raise awareness of the national G&T agenda, share and develop best practice and set up collaborative enrichment opportunities.
