## School Newsletter #1

Norwich City  
Football Club

Summer Term [First Half] 2007

### Welcome...

to our Newsletter! So many fantastic things happen at our Carrow Road Study Centre involving students, and so many new projects are developing with School pupils in mind, that we thought we would write and tell you about them.

Every half-term a new newsletter will be published outlining key events of the past half term, and looking ahead to exciting opportunities coming up in the term ahead. The newsletter will be for everyone- teachers, parents and pupils.

We hope that after reading every issue, you will want to get in touch and find out how you and your school can get involved.

pupils from these 8 schools came to the Study Centre and took part in a whole host of fun and exciting educational activities.

Just some of the delights were: a shopping-spree in the Club-Shop; a fruit smoothie tasting session; and a chance to interview a first team player. One group even got an extra treat when Dion Dublin popped in to say hello!

*Please contact Ros Watson to find out how your school can get involved in after school sessions.*

### Playing for Success

This term pupils from: **Firside Middle, Trowse Primary, St. Williams Primary, White Woman Lane, Mile Cross Middle, Poringland Primary, Horsford Middle and Fairway Middle** took part in our hugely popular after-school *Playing For Success* programme.

For two hours every week,

### Easter Fun

**Love football? Love Music? Love the chance to combine the two?**

Then the Study Centre is the place for YOU this Easter. Come along for the chance to star in your own music video, filmed on location around the famous Carrow Road Stadium. We will be running 2-day courses on the 4th/5th of April and 11th/12th of April from 10am until 3pm. This fantastic opportunity is open to pupils in years 4,5 and 6.

At only £30 for a 2 day course, what are you waiting for?

Call 01603 218757 to book your place today or email [Maxine.mace@norfolk.gov.uk](mailto:Maxine.mace@norfolk.gov.uk)

### Radio Ga-Ga

We recently acquired our own radio-station website! This dynamic project is to encourage pupils of all ages to get talking and make their own radio shows.

A group of pupils from **St. Williams and Blofield Primaries** used MP3 technology to record pieces for the Radio station. Also, pupils from **Greenacre School**, as part of Gifted and Talented enrichment, interviewed City legend Jerry Goss and turned these into professional radio bulletins. And very good they were too! *To find out more about Radio Recording and editing sessions, please contact James Roberts or Paul Wickens*

### Literacy Boost

A group of 20 pupils from **Freethorpe Primary School** have been coming to the Study Centre since February to get a boost for their English SATs tests. They have been taking on a series of challenges to help develop their reading and writing skills. So far they have written a description of Carrow Road using their senses [to put in a time capsule for 100 years], had training on how to be a football reporter, and written newspaper report after watching highlights of real games. *If you would like to arrange Football themed Literacy sessions, please e-mail Paul Wickens.*

### Talent

We are excited to announce that from May 1st we will be offering something special for pupils on the 'More Able and Talented Register'. We are teaming up with Football In The Community to run *A Game Of Two Halves*.

Pupils will spend half the day at Carrow Park learning how to teach football skills to others. The other half will be spent in the Study Centre. Here they will take on different job roles to plan a pop concert at Carrow Road. They will learn that it is difficult to remain friends when you are fighting for your share of the budget.

These activities are designed to promote problem solving and high order thinking skills. Up to 50 pupils can take part at once.

*To find out more contact Paul Wickens*
