

Norfolk Education Improvement Partnership

Newsletter - September 2002

September 2002 marks the launch of the Norfolk Education Improvement Partnership. Representatives from the partnership groups, listed below, have agreed a structure of partnership working groups that will provide a means and a place for discussion about key strategies and priorities for the Education Service in Norfolk.

The work of the partnership can be followed on the website at

http://www.esinet.norfolk.gov.uk/improvement_partnership/

Using the website you can see the overall structure of the partnership, the names of the people representing your views on each of the groups, the agenda and minutes for each of the meetings held and an outline calendar of meetings for the year. There will be other communication channels developed by the individual partnership groups to complement the website. Please play your part in ensuring that you are aware of discussions taking place and putting your point of view forward via members of the groups.

Partnership Groups

- NASH (Norfolk Association of Secondary Headteachers)
- SNAPP (Schools in Norfolk at Primary Phase)
- NASSH (Norfolk Association of Special School Headteachers)
- JCC (Teachers' Joint Consultative Committee)
- NGN (Norfolk Governors' Network)
- GSS (Governor Support Service)

Do you want to participate?

Then tell your representative on the Executive Group of your interest.

Executive Group representatives

- NASH Bob Bond, Headteacher, Cliff Park High School
John Roche-Kelly, Headteacher, Heartsease High School
- SNAPP David Osborne, Headteacher, Wroughton Middle School
Peter Simmonds, Headteacher, Bure Valley Junior School
- NASSH Angela Ruthven, Headteacher, Hall School
- JCC Glenys Shepherd, Joint Secretary of JCC
- NGN Judy Leggett, Chairman
- GSS Anne Genge, Head of Service

Partnership Forum - 5th November

The first Forum meeting took place in February and brought together a cross section of the Education Service including students, parents, staff and governors to discuss the priorities for the Education Service. The Report can be seen on the website at <http://www.esinet.norfolk.gov.uk/partnershipforum/>

The Forum meeting on 5th November, 1.00pm - 4.30pm, will have the theme of **Social Inclusion**. The partnership groups will be nominating their representatives via members of the Executive Group in the next month or so; expressions of interest would be welcome.

Any suggestions about how we can develop the website or help you to be aware of discussions taking place are welcome. Please send them in the first instance to Ali Ottaway, Strategic Core, Room 37, Education Department, County Hall, Martineau Lane, Norwich, NR1 2DL or ali.ottaway.edu@norfolk.gov.uk
