To all Heads of PE Departments in Secondary Schools

Dear Colleagues

**Re: Strategic Partnership for Physical Education**

Please find attached a flier for a series of events organised in partnership with the Sports College at King Edward VII and the West Norfolk PE Association. The Physical Education, School Sport and Club Links Strategy (PESSCL) represents a great opportunity for a multitude of agencies to work together to make a real difference for the young people in our schools.

The organised events represent a strategic approach to the delivery of high quality physical education and school sport across Norfolk. Through the joint work of the West Norfolk PE Association, the Sports College at King Edward VII, the School Sports Co-ordinator Programme and the LEA we can provide the very best support for teachers and others working to achieve the objectives of PESSCL.

We very much hope that you can support these initiatives and events.

Yours sincerely

Martin Radmore  
County Adviser for Physical Education

Paul Tebay  
Director of Sport – King Edward VII
