

Personalised Learning Programmes

The Viking Learning Centre

Offers opportunities to develop pupils':

Communication & leadership skills, self-management, confidence, physical co-ordination, teamwork, healthy & safe lifestyles, ICT skills and learning-how-to-learn awareness.

all within a positive, active and challenging environment where learning is enjoyable.

We work with schools to create individualised programmes

Using

- all the facilities of the professional rugby club and its grounds
- the well-resourced Viking Learning Centre
- a range of activities - active/outdoor/indoor
- 'Tackle Learning' an educational rugby themed resource

We have worked with 24 schools, over 500 children and continue to develop:

KS3 individualised programmes
Work with Pupil Referral Unit
Prince's Trust XL
Family Learning
Holiday provision
Local Heritage project

The Viking Learning Centre is a Full Status, **Playing for Success** Study Support Centre
