

To all schools with end of key stage 1 pupils who are not being statutorily moderated in 2006

We will again be offering optional cluster group meetings in June for those schools who are not being statutorily moderated in 2006. There is no DfES funding for this but clusters could use part of their further delegated package for the meeting or (if the cluster is in agreement) payment could be made by contract using cluster funds (£245.00 for half-day a.m./p.m. session).

If you are interested in taking part in an optional cluster group meeting, please email elizabeth.philpot@norfolk.gov.uk with the following details:

- Names of the schools within your cluster who wish to take part
- Name of cluster contact
- Name of school that has control of the cluster funding (if you do wish to pay via cluster funding)
- Suggested venue
- Preferred date and time
