Director of Children's Services

Keith Grainger

Head of Study Support and Playing for Success

Jerry Goss

NCFC Community Ambassador

Alison Borthwick and Becky Crabtree

Primary Strategy Advisers

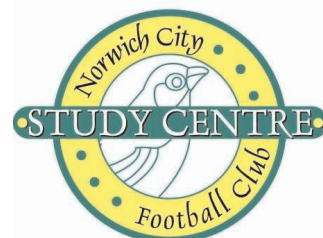

Playing for Success Tutors

Monday 23 February 2009

9.30am - 3.30pm

Norwich City Football Club Study Centre

Carrow Road, Norwich

Playing for Success in Norfolk aims to:

Support under achieving KS2 pupils

Increase levels of attainment in literacy, numeracy and ICT

Use the inspirational environments of leading sports clubs

Increase motivation, confidence, self-worth and independent learning

Re-engage reluctant learners

Promote the Quality in Study Support (QiSS) accreditation process

The day will include a range of sessions that will look at how Norwich City Football Club Study Centre could support schools and children in raising standards in literacy and mathematics in KS2, and a tour of the football stadium. The study centre will outline their possible levels of support, which could include either schools' visits to the centre or school-based support. Opportunities to discuss the other study centres across the county will also be provided.

Cost: £130 per delegate. Places can be booked online www.cpd.norfolk.gov.uk/sdms/
