Dear Headteacher

Re: Norwich Union Playsafe Scheme

Just a courtesy reminder to say that applications for the Norwich Union Playsafe Scheme are due in at the end of this month. Norwich Union has invested £25 000 in the scheme for schools to bid for funds to help promote positive, safe play in their schools.

This year's scheme will see ***all*** applicants eligible for free training courses for their Midday Supervisory Assistants or TA's on promoting positive play on the playground. It must be stressed that in applying for the funding does not guarantee any funds or a percentage of the total allocation shared between applicants. Awards will be made by the Norwich Union Board to schemes that they feel will make the most difference.

There is a large amount of support material available on the PE web-site (including the shortened application form). This can be viewed at:
www.norfolkesinet.org.uk/pages/viewpage.asp?unqid=119

If you require any additional help then please contact me on the number above.

Yours sincerely

Martin Radmore
Head of PE, Sport and Physical Development
