

Norfolk Primary Mathematics Conference

A Calculations Conference

What does recent research tell us about children's calculations?

This will be an opportunity to hear what recent research (including some from Norfolk schools) tells us about the way children calculate. It will be of interest to all those working in the primary phase of education. The conference will be a mixture of keynote lectures and a choice of workshops. A range of carefully selected publishers will be displaying their products.

Keynote Speakers

Professor Ian Thompson, King's College, London
Dr Julia Anghileri, Cambridge University

Venue: Wensum Valley Golf Club and Hotel, Taverham, Norwich

30th June 2008

9am - 4pm with lunch and refreshments provided

Cost: £130

Places can be booked online - <http://www.cpd.norfolk.gov.uk/sdms/>
