**Course Context/Audience:**

A one-day course for teachers, SENCOs and teaching assistants.

There is no requirement for delegates to have previous knowledge or experience of working with pupils with Asperger syndrome to come on this course.

**Objectives:**

This day will cover raising awareness of aspects of Asperger syndrome and how these affect the pupil with Asperger syndrome in school, including transitions in a school career. We will look at strategies to meet their needs and there will be a practical element for delegates to try putting together strategies for themselves.

Delegates will have opportunities to share experiences and knowledge. It is hoped that we will be able to have someone with Asperger syndrome to talk about their experience at school.

**Course Leader/s:** Ann Ebbage

**Phase:** All schools

**Fee:** £130.00
