The theme this year is family safety: **protect the one you love**. Get planning today.

Road Safety Week is organised by Brake, the road safety charity with backing from the Government and our corporate sponsors. Brake has two aims: to promote road safety and support people bereaved and injured in crashes.

A child is killed or hurt on UK roads every 20 minutes. Help us to save lives and to support people bereaved by road crashes by taking part in National Road Safety Week.
