Local Democracy Week 18th – 22nd October

County Non-Uniform Day Wednesday 20th Oct

Dear Head teacher,

The final week before half term is National Local Democracy week, which is organised by the Local Government Association annually. This year the theme is involving young people.

During the week a number of events are planned including a young people's Question Time at County Hall on Monday 18th Oct at 6.30pm and take your MP/ Councillor to school.

We would like your assistance in organising a county wide non-uniform day on Wednesday 20th October. The purpose of the day is to raise awareness of Local Democracy Week and to raise funds for two Norfolk initiatives. We intend to give half the money raised to the Norfolk Community Foundation and half the money to YouthBank Norfolk.

The Community Foundation is a new initiative supported by the County Council. The Foundation aims to raise a substantial sum of money (£10 million) and use the interest earned to provide funding for community projects.

YouthBank Norfolk is a young people led project funded by Norfolk Youth & Community Service, which provides grant aid to small groups and individual young people to support their personal development. Grants up to £1000 are available to qualifying applications. Young people make all decisions on applications.

We would like you to hold a non-uniform day on the 20th October along the lines you usually do this. If you have not held such a day previously it is common the charge between 50p and £1 per student not to wear school uniform.

If you are willing to take part please fax back the reply slip.

Many thanks
