

SEN Caseworker Allocation to Schools in Central Area

We are pleased to inform you that two new SEN Caseworkers have been appointed to the Central SEN team, Pascal Fallas and Berry O'Rourke. We therefore enclose a revised list of the SEN Caseworkers allocated to schools and parents of pupils undergoing Statutory Assessment and holding statements in Localities 6, 7 and 8 with immediate effect.

Administrative support will continue to be made via Brenda Fuller (224010) and Dinah Rosembert (224015).

In total there are approximately 3 full-time equivalent caseworker posts in Central. Within this, some caseworkers work part-time. We aim to provide cover in the office across most of the school week; however, we are sometimes working in other locations. If we are unable to answer your query straight away, please leave a message and we will endeavour to get back to you as soon as possible.

For the foreseeable future we will have to continue prioritising some of our work. This includes limiting our attendance at annual statement review meetings, only attending where there are significant issues, or for some of the 'phase transfer' reviews in Year 5 or Year 1.

We continue to prioritise amending those Statements for phase transfer, where there is a change of school, or a new diagnosis. We would still be pleased to receive suggested amendments, via an annual review, but may need to carry them forward to, for example, a Statement which is amended for phase transfer.

Our top priorities are first Statements and working to ensure that children with Statements have a school place.

SEN Caseworker Allocation: Central Area Schools

Locality 6
