Objectives:

There will be a session (9.00 – 10.30) on RAISEonline led by John Spradbery, Senior Adviser, and Chris Jackson, Information Team Leader for Schools.

This will be followed (11.00-12.30) by Jacqui Worsley (Senior Advisory Support Teacher) who will be delivering an information session "Introducing the Catch Up Secondary School Programme" which will give an overview of the programme and its implementation and management in school.

Catch Up is a tried and tested one-to-one literacy intervention programme for students who find reading difficult. The programme is delivered by teachers or teaching assistants who have been trained by Catch Up and has been successfully used in many Norfolk primary schools. The programme for Secondary schools was launched in May 2006 following successful trials. Catch Up is intended for Students in Year 7 & 8 who are working within National Curriculum Levels 1 or 2 or who are borderline Level 3. The programme develops word recognition and phonic skills, reading, spelling and comprehension. The success which pupils experience on this carefully structured programme can have positive effects on their confidence and self-esteem.

The afternoon session (starting at 1.30pm) will be on P scales.
