

FOR SMALL SCHOOLS ONLY

NORFOLK SMALL SCHOOLS CONFERENCE

“AT THE HEART OF THE COMMUNITY”

Wednesday 7th November 2007
at the Hethel Engineering Centre
9.15 a.m. – 3.30 p.m.

EPLC1/A

*Attendance at the conference will be **free** for headteachers of schools with 100 pupils or fewer on roll.*

The key theme of the conference will be how extended schooling can be implemented in rural areas and how small schools can ensure that their communities receive the core offer. Caroline Coles from the Training and Development Agency (TDA) will be giving the keynote address and leading discussion.

The emphasis at the conference is on practical workshops which will have immediate usefulness to delegates. Come and share in discussions with other small school headteachers about their innovative practice in a wide range of areas.

Delegates will be able to choose two workshops from a menu of six – full list to follow, but modern foreign languages, networking and eco-schools will feature, as well as a further opportunity to follow up Caroline's input.
