### **Scrutiny Working Group into Schools' Capital Works.**

This group has been set up by elected members of the Council to scrutinise and challenge the work of the ruling political group. They are looking in particular at the new BMPP proposals, the fees charged by NPS to manage capital projects and the costs of building works and contractors. The working group would like any feedback you could offer on these matters, both positive and negative.

Please send any correspondence for the attention of Mrs Barbara Hacker c/o Kim Eagle, Chief Executives Department, County Hall, Martineau Lane, Norwich NR1 2HD **by April 6<sup>th</sup>**.
