

Join the Library

Norfolk Libraries are on their marks and getting ready to 'get, set, go' to keep young people active and reading through the summer holidays with the 'Team Read' challenge.

It's simple – children are challenged to visit their library and read any six books during the summer. Parents are encouraged to read the books with younger children. Those taking part in the challenge receive a special pack and a set of incentives to collect as they read. This year the pack and giveaways have a sports theme and we're encouraging sports teams and clubs to spread the word or even have a go together. On completing their six books team readers will receive a certificate and medal for their efforts. So you can get your very own reading medal while athletes are winning theirs in Beijing.

Team read and library events are open to all children. Ask at your local library for details of how to join the challenge. To find out about free events during the summer holidays visit the library website www.library.norfolk.gov.uk or tel 0844 800 8006.

Norfolk County Council Library and Information Service

**It's free to join
the library and
borrow books,
everyone is
welcome**

**If you enjoy a challenge then
join the library **TEAM READ****
