

Telephony Equipment offered:

10 BT Response 75 Digital Answering Machines - all unused and still boxed.
1 Brother Fax-T86 fax machine- unused and still boxed - although inside packaging has been removed to check all items are present

Although these items are unused and only about 1 year old, schools may want to get any equipment PAT tested before connection.

If any schools are interested in any of the items please email - govenorsupport@norfolk.gov.uk

These are available on a first come first serve basis and will be held at the Professional Development Centre at Woodside Road from 27th March 2006.
