

Secondment Opportunity with promotion (TLR2)

A temporary vacancy exists for the second half of the spring term (20th February to 31st March) at Ten Mile Bank Primary School, near Downham Market. This would provide an excellent development opportunity for a suitable member of staff. The post carries a Teaching and Learning Responsibility Payment (TLR2 - £2,250 pro-rata).

The school needs an experienced Key Stage 2 teacher to teach the KS2 class, to be in charge of KS2, with the support of a Local Authority consultant, and to be in charge of the school in the headteacher's absence. Literacy and Numeracy planning for the half-term will be in place.

This could be full-time, or for four days, Tuesday to Friday. To take up this opportunity, teachers will need the support and permission of their headteacher and the governing body.

How to respond
