

INSET

NEW Science

Realising the Potential of your 'Willow' as a Living Resource (Focus on Maintenance)

An interactive and stimulating course which aims to help you to utilise and integrate your willow sculptures more creatively into the curriculum.

It will help you to:

- develop the structure appropriate to your grounds and individual requirements
- gain confidence with practical techniques for design, planting, growing and maintaining willow
- appreciate the 'willows' more diverse uses - as a medicine, biofuel, craft product - and relate this to the curriculum
- give you an opportunity to explore art/craft and sculpture possibilities with a trained artist and develop opportunities for literacy, drama and finally hands-on science/fieldwork opportunities.

Please bring along wet weather gear and outside footwear.

Please bring along wet weather gear and outside footwear
Refreshments will be provided.

Course Leader: Susan Falch-Lovesey, Collie Mudie (Gressenhall RLM), Tonya Rumble (NCS grounds team), and Maggie Campbell (willow artist)

Cost: £115.00

Date	Time	Venue	Activity Ref.
9/4/2003	9.15 - 4.15	Gressenhall Rural Life Museum	3SN068
4/11/2003	9.15 - 4.15	Gressenhall Rural Life Museum	3SN069
