

## **TO ALL SCHOOLS**

The game of Zone Hockey is really starting to take off in the region with special introductory days for young players and coaches taking place in all the East Counties. I would like to see this game integrated into as many schools as possible, therefore I am wanting to host a 'introduction to zone hockey' course to all teachers/coaches/volunteers working with children, especially those with special needs.

For those of you not familiar with the terminology, Zone Hockey is a fun version of the game, which is ideal to introduce young people to hockey and can be played by anyone including people with disabilities. The game has proved to be exciting, and has great potential, especially for Primary School children and young people with disabilities.

The course duration is 3 hours. As the course has a large practical element the course leader would ideally like to involve the pupils from the local special school. This would give the children a chance of enjoying the sport together with providing the delegates with some knowledge of coaching youngsters with a disability. The course will cost £5 and if you would like to purchase a resource pack, they cost £5 per person.

If you would be interested in attending a zone hockey course could you please complete the bottom section of this letter and return it to Jen White at the address above.

I look forward to hearing from you soon, Please contact me on: Tel: 01603 727 888

Fax: 01603 760 448. Or e-mail me on <mailto:jen.white@norfolk.gov.uk>

Yours sincerely,

Jen White
