**To: Head of Maths  
All Norfolk High Schools**

Dear Colleague,

### **Key Stage 3 Network Groups**

To help support the introduction of the KS3 National Numeracy Strategy we are aiming to set up network groups for maths teachers.

The aim of these sessions is to provide a forum for informal discussion, sharing good practice and resources and a chance to meet colleagues in other schools.

We have organised groups geographically, but you may wish to attend meetings in other areas if this is more convenient for you.

The agenda for the first meeting is as follows:

1. Sharing your favourite Oral and Mental starter
2. How is Springboard 7 working?
3. Next meeting – suggested agenda and venue?
4. AOB

Network Groups have been enclosed along with a booking form to complete and return to Louise Flynn at the PDC.

Yours Sincerely
