

## Norwich Theatre Project Present *Macbeth*

Norwich Theatre Projects are offering a production of *Macbeth*, specially tailored for Key Stage 3 students preparing for their SAT exams.

The show comprises full performances of Act 3 Scenes 1,2 and 4, along with a fun and accessible overview of the plot, characters and themes of the whole play. This is done using an array of weird and wonderful costumes, props, music and narrative styles – Mick Jagger, Mastermind, three beards on a stick and a rubber duck all put in an appearance.

The result is a show which will appeal to Year 9 students of all abilities and levels of experience of Shakespeare, and is as educational as it is enjoyable. The performance lasts 75 minutes (with the option of a post-show discussion also available), and costs £250 plus VAT. We can adapt to any sort of performance space and will also be happy to accommodate any particular requirements you might have.

If you would be interested in booking a performance of Norwich Theatre Project's *Macbeth*, please call Tom Green (07866 778019) or Rebecca Wood (07815 704910) for more information.
