### To: All Norfolk Schools

## Dear Colleague

As mentioned in my letter to you all in January, on Sunday 17 April 2005 I will be lining up again to run the Flora London Marathon. I must add that I was heartened by the number of responses I received from schools who were so pleased that I would be taking part in the Marathon again this year and would be happy to sponsor me yet again!

I will again be running to raise money for the charity "Sense". As you will see from the enclosed sponsorship form, Sense is a very worthwhile charity which supports some of our most vulnerable children and I therefore hope you will be willing, either as staff or as a school, to help me raise money for them. The web address for more information on my chosen charity Sense is: <a href="https://www.sense.org.uk">www.sense.org.uk</a>

Please could you send contributions you are able to raise to County Hall, marked for the attention of Jeannette Nicholls. Cheques would be the most convenient way of forwarding sponsorship money to us. These should be made out to "Sense". Personal cheques only should be sent.

With very many thanks. Bryan Slater

So just tick below
to Gift Aid your donation.
It's that simple.

Using Gift Aid means that for every pound you give, we get an extra 28 pence from the Inland Revenue, helping your donation go further.

This means that £100 can be turned into £128, just so long as donations are made through Gift Aid. Imagine what a difference that could make, and it doesn't cost you a thing.

To qualify for Gift Aid, what you pay in income tax or capital gains tax must at least equal the amount we will claim in the tax year.

# You're helping a child like Gethin

Two year old Gethin had a really difficult start in life. Born both deaf and blind, he struggled to connect with the world around him. Thanks to the generosity of our supporters though, we've been able to use our specialist knowledge and experience to help him learn and grow into the contented and loving little boy he is today.
