

F.A.O. : Head of Mathematics / Co-ordinator of Mathematics

April 2005

Dear Colleague,

May I take this opportunity to bring to your attention the events that the Norfolk Branch of The Mathematical Association has taking place during the summer term?

WEDNESDAY 11th MAY 7.30 pm
School of Education, University of East Anglia
(ROOM EDU 0.18)

ANNUAL GENERAL MEETING

Followed by refreshments.

Also guest speaker **Professor Tom Ward, Head of the School of Mathematics, UEA**
presenting a talk entitled '*The remarkable arithmetic of recurrence sequences*'.

TUESDAY 5th JULY 2.00 pm
Lecture Theatre 4, University of East Anglia

THE YEAR 12 SEMINAR
'*A MATHEMATICAL MYSTERY TOUR*'
given by Tom Ward, Shaun Stevens and Mark Cooker

We are again offering a seminar of three, 30-minute lectures, running consecutively, and aimed at first year advanced level students. As in the previous two years the seminar is part of the university's Admissions Open Day, and hopefully this will help in your planning. You are invited to bring along as many students and colleagues as you wish, and as usual there is no charge.

TUESDAY 5th JULY 1.30 pm
Thorpe St. Andrew High School
24th ANNUAL SCHOOLS' MATHEMATICS QUIZ

Further details and an entry form will be mailed for this event on a separate flyer

DATE FOR THE DIARY...
16th NOVEMBER 2005 at 2.00 pm
AUTUMN TERM SIXTH FORM LECTURE, UEA Lecture Theatre One

Please remember that full details of the Mathematical Association's programme can be found on the national website, at www.m-a.org.uk. For more information on public lectures at UEA, see www.mth.uea.ac.uk/~h014/lectures.html.

Best wishes for the term,

Peter Walker
