Dear Colleague,

A meeting has been arranged for all teachers interested in the development of football for girls at Secondary Schools' level through the fixture programmes organised by Norfolk Schools' F.A.

Details of the meeting:

Date : Wednesday, 25th May, 2005 Venue : Hewett High School

Time : the meeting will start at 4.30 p.m. prompt.

Directions : Enter the school campus via GATE 1 or GATE 2 in Cecil Road.

I am not including an agenda with this notification but it will be available at the meeting. However, there will be an item on each of the competitions organised last season. It will include a brief report, giving details of successes and difficulties. It is intended that the programmes of competitions for season 2005-2006 will cater again for U13's, U14's, U16's and U19's in one format or another. There is no negotiation on the U13's Coca Cola and the U14's and U19's 5-a-side competitions. However, are there any concerns about the U14's and U16's league and cup competitions? If you have concerns, how can they be rectified? Is it simply a matter of adjusting the current formats?

Or is there a need to re-organise the format altogether? Whatever proposals are agreed about the structure and organisation of these competitions there must be an assurance that the obligations of entry are fulfilled satisfactorily. The meeting will provide an opportunity for managers of school teams to express their opinions on the arrangements and organisation for last season. With constructive criticisms and positive proposals we will be able to develop a more successful structure. It will also be an opportunity for teachers of schools previously uninvolved to find out the necessary information about possible entry.

The two league competitions – Mandy Price (KES) will co-ordinate again.

Volunteers are needed:

1. to co-ordinate the Knockout competitions;
2. to assist in the management of the County squads;
3. to be the physio (preferably female) for the U14's squad.

If you are unable to attend the meeting but wish to have your opinions considered, you are welcome to write to me and include your letter with the reply slip.

Yours sincerely,

Stuart Dracup
