Sherpa is a Social Enterprise, funded by the East Midlands Community Loan Fund, with a mandate to offer school health and safety products at socially inclusive prices. Our profits go to Local Healthy School Teams.

Bottles4health is our National Healthy School Team supported programme that offers a range of desktop sports type water bottles that start at 80p including vat and delivery. These items are particularly key to implementing the new **Food in Schools** initiative.

Our range of EN 1150 compliant safety clothing, starting at £2.85 is designed to encourage the take up of enable **Walk to School** and **Walking Bus** programmes.

We also offer a selection of cycle helmets at £5.99
