**[www.school-link.org.uk](http://www.school-link.org.uk)**

**School Link** is a complete teaching resource for **Key Stage 2**.

By signing up to **School Link**, schools gain access to a dedicated website containing lesson plans, information, interactive games and other teaching resources, all closely matched to the National Curriculum and developed by experienced teachers. On the website, children can find out about the life of children in a school and community in another country and explore Save the Children's work in that country.

As well as learning about the lives of other children around the world, UK children get the opportunity to make a difference by taking part in '**Friendship Friday**', a unique and enjoyable fundraising event. There is also a chance to enter a prize draw and win a visit from the **School Link** celebrity supporter!

**School Link** covers curriculum subjects like PSHE and Citizenship, ICT, Geography, Environmental Studies in Scotland and PSE in Wales.

**Don't miss out,**  
log on to  
**[www.school-link.org.uk](http://www.school-link.org.uk)**  
or call 020 7012 6400  
to find out more!

**This is a fantastic opportunity  
for children in the UK to find  
out about the lives of children  
in other countries and make  
a difference.**
