

North Norfolk District Council's: Active Communities Fund

North Norfolk District Council has just launched its **new** grant scheme, the Active Communities Fund.

The scheme aims to encourage active communities and will fund a broad range of work including projects which improve health and social well being, increase levels of physical, recreational and cultural activity and projects which aim to improve the environment.

Schools are eligible to apply so long as the project is extra curricular. The deadline for applications is the 31st March 2006.

To find out more or request an application pack please contact Kate Sullivan on 01263 516052 or at ksullivan@north-norfolk.gov.uk.
