

Magic Lantern

- ▶ **teaching children and staff** to make movies
- ▶ **working with clusters** of schools to present a film festival and "Oscars"
- ▶ **advising** on uses of film-making to support and connect the curriculum
- ▶ **providing guidance** through every stage of the process - from initial ideas to screening
- ▶ **supplying a free CD** of software and assets and researching grant support
- ▶ **bringing fun and engagement** to learning

What the critics say :

"When our teacher says Mr Brook is coming in, we all cheer." **PUPIL : Saxlingham Primary School, Norfolk**

"Interesting, fun and informative. I feel privileged to have been able to do this course..."

SARAH GOODY : Parent, Costessey Junior School, Norfolk

"I've learned a huge amount from these sessions. The cross-curricular applications of Tim's expertise are virtually limitless - it's a tool like picking up a pen. The advantages for visual learners are immense."

PAUL RYLE : Year 3/4 Teacher and ICT Co-ordinator, Mellis Primary School, Suffolk

"Tim's brought enthusiasm and ideas to our schools. His commitment and understanding of teaching has engaged and encouraged both children and staff. He's demonstrated how effective and rewarding film making can be and the educational role it can play in embedding ICT in the primary school curriculum."

NIGEL RHODES : Head Teacher, St Botolph's Primary School, Suffolk - Hartismere Cluster Co-ordinator
