

Never B Bullied Seminar.

As you may or may not know, I have written two books on how to avoid being bullied and these are used by many professionals around the country to assist victims of bullying. Locally the Bethel child and family clinic use copies for families who could benefit from this information.

On Saturday 3rd June 3pm at The Black Belt Academy, Bull Close, Norwich I will be teaching a two hour seminar

on how to make sure you are NEVER identified as a potential victim for bullying and what to do if you realise

you already have been.

The course is open to the general public. The investment required is just £20/person and I can promise the

information is life changing. Each participant will receive a free copy of my book too.

Please call 01379 853936 to book your place.

Please feel free to pass this information to anyone who may benefit.

Thanks

Richard Vince.
